How to create classes with a class code

1. Hover over Instructor Administration and select "New Class".
2. Select "Copy a Class by Class Code at Any Institution".
3. Enter the Class Code.
4. Enter the Name for the new class (Your choice.)
5. Enter a Start Date and an End Date
6. Select Subscription Length
7. Do not change other default settings.
8. Select Save.

You can close any Upgraded Product alerts that appear.

If quizzes were created for the class, you may be asked to set a new date. You can always delete the quizzes later.

Go to Class Information > Class Summary to view the Class Syllabus.
